Guarding of Government Offices.

GOVERNMENT OF BOMBAY.
POLITICAL AND SERVICES DEPARTMENT.
Circular No. 1922/46.
Bombay Castle, 17th December 1947.

In view of the attempt made recently to set fire to a Collector's Office in this Province, it is necessary that precautions should be taken to guard against such acts of incendiarism. Government is accordingly pleased to direct that no person, other than a person working in the particular Government Office, should be allowed to enter that office before or after office hours. As regards persons working in the office, the police guard or the watchman on duty, as the case may be, should verify the identity of such persons before allowing them to enter the office. During office hours, the police guard or the watchman on duty should keep a general surveillance on persons who do not seem to be bona-fide visitors but are merely loitering on the premises.

All Heads of Offices are also requested to take particular precautions as regards the security of their offices. A responsible person should be placed in charge whose duty it should be to see, before leaving office, that everything is intact.

By order of the Governor of Bombay,

I. H. TAUNTON,

Chief Secretary to the Government of Bombay,
Political and Services Department.
